for the attention of prof. Paolo Inchingolo  
Zagreb, 12.7.2001

The undersigned professor Ana Stavljenic Rukavina, Minister of health of Croatia, hereby declares that the Ministry of health, Croatia strongly support the co-operation on didactical programmes between Italian Universities and the Universities in the Central European Countries in a multidisciplinary field of biomedical engineering, including health administration, informatics and telematics.

The co-operation has been proposed by the University of Trieste, the co-ordination being assigned to prof. Paolo Inchingolo.

Sincerely yours,

  
Prof. dr. Ana Stavljenic Rukavina
